New Website:

- George mentioned our current website is paid for the next 2 years. Total = ~ \$99
- Rob went over brainstorming list for all items we'd like on the new website

Dues: in the past Barry has waited until April for members to pay their dues and if not paid take them off the list of mailers

- George suggested we keep the names of past members to reach out to them at the beginning of each year
- Could also list everyone and highlight those that haven't paid
- Rob brought up a website called 'Sign Up Genius' that could assist us

Harry to give Stewart the latest copy of the roster

Harry to print out meeting sign in sheets

New Members that need to have \$5 reimbursed (due to overpayment of \$35): Mario Godino and Rick Davis

New members need to be given hats, stickers, etc. all members for 2024 need this

Buy more hats? We don't want white again. Could possibly buy them in smaller batches (i.e. 20 instead of 100)

Leaderboard: for bragging rights and certificates = no cash prizes; website should have the ability for people to upload length, type, picture, date

Derby: can participate in more than 1 derby but can't win more than 1 place in a single derby

- Suggested 1st derby for each member free or paid out of dues. Then \$10 for each additional derby

Jerry C. is the new derby leader

Barry now has facebook access

Will give access to Rob and Stewart

Joe would like a printed agenda for each meeting

Dave & Stewart will work together on meeting agenda and more formal meeting minutes

- Minutes
- Welcome members
- Fishing reports
- 50/50 raffles
- Derbies

Have an activity at each meeting? Per Jerry he has had meetings about working on / cleaning reels, how to tie special knots, etc
